

# **5th World Water Forum**

## **Session Contribution Proposal Form**

- 1. Please fill out this form to submit your proposed contribution to the topic sessions. Forms must be submitted in English.**
- 2. Once the form is complete, save this file to your computer.**
- 3. Return to the web site and click the “submit your contribution” link under the topic in which you are interested. A new email will open in your email software.**
- 4. Attach this form and send the email.**
- 5. When using a web-based email service (e.g. gmail, yahoo mail, etc.), you may write the email address using the following pattern where the # symbol is the number of the topic in which you are interested:**
  - topic-#.#@worldwaterforum5.org**
  - regional contributions should refer back to the regional web page for the proper email address to use.**
