I wish to attend with presentations

I wish to attend as audience

THE AIM OF THE CONFERENCE

The 5th World Water Forum will be held in Turkey in 2009. As preparation for the Forum, there shall be a number of General Directorate of State Hydraulic Works-led regional meetings to be conducted by the Regional Directorates. The attendance of Regional Directorates, Universities and Professional Institutions as well as NGOs are aimed and these meetings will make substantial benefits for our country by providing their results for the upcoming 5th World Water Forum.

In this respect, The Snow Hydrology Conference will be held in Erzurum on 27-28th March 2008 by the DSI VIIth Regional Directorate. The attendance of experts in the area is expected to the Conference where issues concerning application in snow hydrology within a rather workshop context.

We hereby send our respect and our wishes to see you at the Snow Hydrology Conference.

CONFERENCE TOPICS

There are 6 main themes and 22 topics within the 5th World Water Forum with the aim of "Bridging Divides for Water" The Snow Hydrology Conference theme is Global Changes and Risk Management containing the following topics:

- Adaptation to Climate Change
- Migration and the Changing Use of Soil, Human Settlement and Water
- Decreasing the Effects of Disasters

The preparation of the presentations for the Snow Hydrology Conference to be outlined within these topics will light the way for the World Water Forum as a whole.

CONDITIONS FOR PARTICIPATION TO THE CONFERENCE

- Participants can attend the conference with or without a presentation.
- Those willing to participate with presentations must have their summaries both in Turkish and English by **30 November 2007 (extended to 12 December 2007)** to the conference secretariat.
- The summaries must include the name of the research, full name of the researchers, the location where the research was conducted, the aim and result of the research.
- The participants will receive a book on the conference presentations and a conference bag with a CD of presentations.
